## From the Principal's Desk

Well here we are; my last week as Acting Principal. It has been an interesting four weeks. I would like to thank the parents, students and particularly the staff for helping me through this past month.

### COLES VOUCHERS

It is also the last week to collect Coles vouchers. The support from the community has been overwhelming. Thank you everyone. Any remaining vouchers need to be at the school early next week so that we can count them and claim our sports equipment.

### SURPRISE

Speaking of Coles vouchers, I received a phone call from a company in Melbourne, who have been collecting the vouchers and then went looking for a small school to donate them to. Deb Shaw of "Right Round The House" went online and found US! So keep them in mind, if you are doing outdoor home improvements.

### MISSING

Jumper found - thank you

But now her good summer dress (size 6 and named Maddison Sharrock) is missing, following PE 2 weeks ago.  
Could all parents check clothing. The 'other' dress is available from the office.

### TRANSITION

The pre-school children came today for their third transition visit. They came for the Literacy block and recess, and I'm sure they had a wonderful time.

### P/1/2 EXCURSION AND SLEEPOVER

Children in P/1/2, Mr Hilliard, Mrs Luke and myself will be boarding the bus at 8:00am tomorrow to visit the Werribee Zoo. There is great excitement as this day draws near. We should be back about 6:00pm and it would be wonderful to see some parents at school to help set up beds and cook dinner. Preps are going home after dinner, leaving Grade ones and twos to have the pleasure of sleeping over at school. Friday is a normal school day for all students.

## Could it be asthma?

### Do you ever:

- Get short of breath when you are not exercising or at unexpected times?
- Find that your shortness of breath is seasonal, or that during some months or times of year your breathing is worse?
- Have cough or coughing spells even when you do not have a cold?
- Notice times when there is wheezing or whistling in your chest?
- Feel tightness in your chest when you are short of breath?
- Wake up at night with shortness of breath or wheeze?
- Notice wheeze, cough, or chest tightness in certain environments, such as hot/cold air, dusty places, or in certain homes?
- Wheeze when you exercise?

If you experience any of the above ask your pharmacist or doctor about a lung health check.
